

# Grant Application

## Grant Narrative

Include the following in the narrative with your grant application (be concise):

1. Description of the project
2. Specific objectives and measurable outcomes
3. Plans for accomplishing the outcomes
4. Names and qualifications of the persons staffing the project
5. If a collaborative project, the roles of each partner
6. Description of community involvement
7. How the project will be evaluated?

Include any of the following documentation as relevant:

- Project design and drawings
- Letters of support or collaboration
- Evidence/examples of previous work
